Escape to peaceful country living on 4.90 acres just outside Brewster! This well-maintained 2014 manufactured home features durable steel stud construction with low-maintenance cement siding for lasting quality. Enjoy breathtaking star-filled skies while still being just minutes from paved roads and town conveniences. The property includes a heated shed—perfect for hobbies, an art studio, home office, or private retreat—plus two covered carports, fruit trees, and plenty of room to garden, recreate, or simply relax. All kitchen appliances stay, making this home truly move-in ready. Experience the quiet beauty of rural living with the convenience of nearby amenities. Your country lifestyle begins here! Living where you play!
